If you have an accident

Here are some easy steps to follow if you have an accident, regardless of who's at fault.

Stop:

Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction).

If anybody has been injured, call the police and ambulance service.

Sketch:

Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your car).

Note down:

You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

Take a photo:

If you have a mobile phone with you and it is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.

Give your details:

You must give your own details to anyone who has reasonable grounds for requesting them.

Give the other person our number

Please ask the other person(s) involved in the accident to ring our 24 hour helpline on 0800 051 0085.

We'll be able to help him/her with any repairs they need. And help them by providing a courtesy vehicle, if this is needed.

If for any reason you have not been able to exchange details with other drivers or owners of property or you were in collision with an animal, you must report the accident to the police as soon as possible and certainly within 24 hours of the accident.

Don't:

Please don't admit responsibility, either verbally or in writing. Instead, ask any other person involved in the accident to contact us on the 24 hour claims helpline number 0800 051 0085.

FAQ's

How does your uninsured driver promise work?

If you make a claim for an accident that is not your fault and the driver of the vehicle that hits your vehicle is not insured, you will not lose your No Claim Discount or have to pay any excess.

Conditions

We will need:

- the vehicle registration number and the make and model of the vehicle; and
- the driver's details, if possible.

It also helps us to confirm who is at fault if you can get the names and addresses of any independent witnesses, if available. When you claim, you may have to pay your excess. Also, if when your renewal is due, investigations are still ongoing, you may lose your No Claim Discount temporarily. However, once we confirm that the accident was the fault of the uninsured driver, we will repay your excess, restore your No Claim Discount and refund any extra premium you have paid. This promise is for comprehensive policy holders only.

Are my electric vehicle's charging cables covered?

Charging cables and your home charger are considered an accessory to your vehicle which means they are covered for accidental damage, fire and theft. You are also covered for any accidents involving your charging cables when they are attached to your vehicle, for example, someone tripping over your cable as long as you have taken due care to prevent such an accident.

Is my electric vehicle battery covered?

Damage to your vehicle's battery is covered should it be damaged as a result of an insured incident. Cover applies whether your battery is owned or leased.

General conditions of Your Policy

The following General Conditions apply to this Policy. These describe Your responsibilities, general information and the procedures that apply in certain situations, such as when there is a claim or the Policy is cancelled. If You do not meet the terms and conditions of this Policy, it could make the cover invalid or mean We may refuse to pay Your claim.

1 Cancellation

If, having looked at your Policy, You decide not to go ahead, You have 14 days from the date You received your Policy documents to cancel this Policy. To cancel your Policy, You must forward your current Certificate of Insurance to Us. Please note the full annual premium is payable in the event of a claim and no refund will be given.

Cancellation within the 14 day cooling off period

If Your insurance cover has not yet started, You'll be entitled to a refund of the premium paid. If Your insurance cover has already started, and You have not made a claim, and a claim has not been made against You then You'll be entitled to a refund of the premium paid, subject to a deduction for the time for which You have been covered plus an administration fee of £10 (including Insurance Premium Tax). Insurance Premium Tax where applicable is charged on the net refund.

Please note the full annual premium is payable in the event of a claim and no refund will be given.

Cancellation after the 14 day cooling off period

If the cover has started and provided You have not made a claim, and a claim has not been made against You then You can still cancel your Policy, however your refund will be subject to a deduction for the time You have been covered plus an administration fee of £60 (including Insurance Premium Tax). Insurance Premium Tax where applicable is charged on the net refund.

Please note the full annual premium is payable in the event of a claim and no refund will be given.

Where we may cancel Your cover

We may cancel the Policy if we have a good reason for doing so. Some examples of situations where we would have a good reason for cancelling your Policy include (but are not limited to) where You have:

- not paid Your premium; or
- provided Us with incorrect information; or
- changed Your address during the Policy to one We cannot cover; or
- changed Your Vehicle during the Policy to one We cannot cover; or

Before We cancel your Policy We'll send You seven days' written notice to either the email address or postal address last notified to Us. You must return your current Certificate of Motor Insurance to Us or provide Us with an electronic declaration of surrender within 7 days to comply with Section 147 of the Road Traffic Act 1988.

When We have received the Certificate of Motor Insurance or the electronic declaration of surrender and subject to You not having made a claim or a claim having been made against You, any refund of premiums will be calculated after deducting the charges, as set out in the as set out in "General Conditions of **your** policy" section of the Churchill Van insurance Policy booklet and Churchill Van Insurances Terms of Business (arranged and administered by Brightside Insurance Services Ltd).

2 Other insurance

If the insurance cover under this policy is also provided by another policy, we will only pay any sums due that are over and above the amount which is payable under the other insurance.

Unless otherwise stated in this Policy:

- a if at the time of any accident, injury, loss, destruction or damage, which gives rise to a claim, there is any other insurance effected by You or on Your behalf applicable to such accident, injury, loss, destruction or damage, Our liability shall be limited to its rateable proportion thereof; and
- b If any other such insurance is subject to any provision whereby it is excluded from ranking concurrently with this Policy, whether in whole or in part or from contributing rateably, then Our liability hereunder shall be limited to any excess beyond the amount which would have been payable under such other insurance had this Policy not been effected.

This Condition does not apply to Section 4 Personal Accident.

3 Care of Your Vehicle

Your Vehicle must be covered by a valid Department of Transport Test (MOT) Certificate if You need one by law.

You must take all reasonable precautions to avoid loss of, or damage to Your Vehicle. For example, You should remove it to a safe place as soon as possible if it breaks down. You should also take all reasonable care of the keys to Your Vehicle to prevent them being lost or stolen.

You must always take the keys out of the ignition and remove them completely from Your Vehicle and its vicinity when left at any time whatsoever (regardless of whether Your Vehicle is still within Your sight) and make sure that You do not leave belongings on display. You should close all the windows and sunroofs and lock all doors. Make sure any manufacturer's standard security device fitted to your vehicle is operational when your vehicle is left unattended. Endorsements may apply to Your cover, setting out other requirements relating

to immobilisers, alarms and tracking devices. In these cases, We'll need to see evidence that an approved alarm, immobiliser or tracking device has been fitted. These devices must always be on and working whenever Your Vehicle is left.

If You do not take reasonable care of Your Vehicle and meet any security requirements, this Policy may no longer be valid and We may not pay any claim.

You or any other person covered by this insurance must do the following:

- protect Your Vehicle from loss or damage
- keep Your Vehicle in an efficient and roadworthy condition. (You may be asked to provide details to show Your Vehicle was regularly maintained and kept in a good condition)
- not move or drive Your Vehicle in a way likely to affect safe driving or control or in a way which could cause loss or damage to it
- not move or drive Your Vehicle after an accident, Fire or Theft if to do so may cause additional damage
- allow Us to examine Your Vehicle at any reasonable time if we ask you

4 Changes to the information You provided

It is a condition of this Policy that You let Us know immediately of any changes to:

- the Vehicle registration number or Vehicle details
- your home and/or garaging address
- the name or contact telephone number of each driver named on the Policy

Your premium is based on the information You gave Us when Your cover started or when it was renewed. If Your circumstances change You must tell Us as soon as possible. If You are not sure whether You need to tell Us about certain facts, You should contact the customer service team on 0800 051 0553. You

should keep a record of the information You give in relation to this Policy. If the information shown in the Statement of Fact has changed or is not correct, and if the disclosure of that information is significant, then this Policy may be invalid. If Your Policy is valid, but the disclosure of that information is significant and relevant to Your claim, then We may refuse to deal with any claim from You.

Here are some examples of changes You need to tell Us about if they happen during the Period of Insurance

- a change of Your Vehicle – including getting an extra Vehicle
- a change in the way You use Your Vehicle
- a change of address
- a change of occupation, including part-time work
- convictions and prosecutions
- any accidents or claims regardless of fault
- a change in the main driver of Your Vehicle
- details of drivers You have not told Us about before
- if You or anyone who will drive Your Vehicle develop any serious medical conditions or are told by a doctor not to drive due to medical reasons

Note: This list is not exhaustive. If in doubt, call us on 0800 051 0553.

This insurance will only apply if:

- the person claiming has kept to all the terms and conditions of this Policy; and
- all the information within the Statement of Fact is correct.

5 Modifications to your vehicle

You must tell us what modifications you intend to make and obtain our agreement prior to making them. Modifications are changes to Your vehicle's standard specification, including optional extras. These include, but are not restricted to, changes to

the appearance and/or the performance of Your vehicle (including wheels, suspension, bodywork and engine).

Failure to provide correct information or inform us of any changes could adversely affect Your policy, including invalidating your policy or claims being rejected or not fully paid.

6 Motor Insurance Database (MID)

Information relating to your policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing (Tax Discs);
- Continuous Insurance Enforcement;
- law enforcement (prevention, detection, apprehension and/or prosecution of offenders); and
- the provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If you are involved in a road traffic accident (either in the UK, the EEA or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. It is our responsibility to update your policy to the MID. We fully comply with the agreements in place with the MIB to update your details within seven days; however it is important that you check your policy

documents ensuring that the registration number is recorded correctly.

If it is incorrectly shown on the MID you are at risk of having your car seized by the police. You can check that your correct registration number is shown on the MID at www.askMID.com.

If the registration number is not shown correctly on your policy documents, or you cannot find your car on the MID, please contact us immediately.

- not admit to, negotiate on, or promise to pay or refuse any claim unless You have written permission from Us
- not act in any way to prejudice Our interest
- provide Us with all reasonable assistance We may need in relation to your claim

Making a claim

In the event of a claim covered by this Policy You must still pay the premium. If payment is not made, We:

- may cancel this Policy in accordance with the General Conditions and seek payment of the outstanding balance of premium
- may refuse to pay any claim arising from an occurrence on or after the due date of the premium
- reserve the right to deduct any outstanding premium from the claim payment, if the claim is for loss of, or damage to Your Vehicle, which is covered by this Policy
- may recover from You the outstanding balance of premium or seek reimbursement from You of any claim payment which has already been made.

Handling the claim on Your behalf

We can take over and conduct in Your name or in the name of any person covered by this Policy:

- the defence or settlement of any claim
- legal proceedings in Your name at Our expense and for Our benefit to recover any payments made under this Policy

You or the person whose name We use must co-operate with Us on any matter affecting this insurance.

8 Special provisions – right of recovery

If any claims or other monies are paid to You by mistake for any reason, or a claim has been paid which We later find to be fraudulent, false or exaggerated, You must repay the amount paid by Us.

If We have refunded any premium following cancellation, We can take any money You owe Us from any payment We make.

Application of limits of Indemnity

(In the event of any accident involving Indemnity to more than one person) Any limitation by the terms of this Policy, or of any Endorsement thereon, the amount of any Indemnity shall apply to the aggregate amount of Indemnity to all persons Indemnified, and such Indemnity shall apply in priority to You.

9 Automatic renewals

When your policy is due for renewal, we may offer to renew it for you automatically using the payment details you have already given, unless you or we have advised otherwise.

We'll contact you at least 21 days before your policy ends to confirm your renewal premium and policy terms, and before taking any payment. If you don't want to renew your policy, you must contact us before your renewal date to let us know.

If we don't hear from you, we will debit your account with the payment details we hold on record, and your policy will automatically continue without a break in cover from your stated renewal date. You can contact us by phone, post or online if at any time your circumstances change and you no longer want your policy to renew automatically. If you choose not to renew automatically, your

policy – including any additional products or benefits – will lapse on the renewal date, and you will be uninsured unless you contact us (or an alternative insurer) to arrange cover.

It's not possible to offer automatic renewal with all payment methods, so please check your renewal invite for further details. In some instances, we may be unable or choose not to offer renewal terms. If so, we will write to you at your last known address to let you know.

10 Sanctions, Prohibitions or Restrictions

We will not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Section 1 – Loss and damage inc. windscreen cover

Loss of, or damage to Your Vehicle, Accessories or spare parts

In the event of Your Vehicle, Accessories and spare parts being lost, stolen or damaged, We'll either:

- repair the damage;
- replace what is lost or damaged if it is too expensive to repair; or
- pay the cost of the loss or damage.

If your vehicle keys are stolen we will pay the cost of replacing the:

- affected locks;
- lock transmitter and central locking interface;
- affected parts of the alarm and/or immobiliser, if it can be established to our reasonable satisfaction that the identity or garaging address of your vehicle is known to any person who is in possession of your keys.

We can choose which of these actions We'll take for any claim We accept.

The most We'll pay is the Market Value of Your Vehicle, Accessories and spare parts at the time of the loss or damage. We'll not pay more than the amount for which You insured them. If Your Vehicle is under a hire purchase or leasing agreement, We'll normally pay any claim to the legal owner.

If You are VAT registered You are entitled to recover VAT on the cost of repairs and replacement goods to the extent allowed by law.

We may decide to repair your vehicle with parts that haven't been made by your vehicle's manufacturer, but that are of a similar standard. Any part or accessory not available, the most We will pay for that part will be the cost shown in the manufacturer's last United Kingdom price list. We'll not be responsible for additional storage costs caused by the unavailability of Accessories or spare parts nor the cost of importation of Accessories or parts into the United Kingdom.

If Your Vehicle cannot be driven because of the loss or damage covered under this Policy, We'll pay the reasonable cost of protecting Your Vehicle and taking it to the nearest competent repairer. After it has been repaired We'll pay the reasonable cost of delivering it to Your address in the United Kingdom.

Provided that the policy is still current, we will also temporarily insure any motor vehicle supplied to you

under the Churchill recommended repairer network whilst your vehicle is being repaired as a direct result of damage covered by this policy (**subject to availability**). The cover for a vehicle supplied under this paragraph will be comprehensive, even if the policy cover is third party, fire and theft.

If the vehicle is still in your possession at the time this insurance expires, you must renew this insurance to maintain cover for the temporary vehicle.

Repairs carried out by our recommended repairer network are guaranteed for 5 years.

We will retain, at Our discretion, the right to the salvage of a Vehicle following a total loss for disposal in accordance with the Association of British Insurers (ABI) code of practice.

If You have comprehensive cover and You claim for accidentally broken glass in your vehicle windscreen or windows or scratched bodywork caused by the broken glass, we will pay for the repair or replacement including recalibration and it will not reduce your No Claim Bonus.

We may decide to replace your vehicles glass with glass that hasn't been made by Your vehicle's manufacturer, but it is of a similar standard.

New Vehicle Replacement

If your vehicle is less than one year old and you are the first and only registered owner, we will replace it with one of the same make and model if it has:

- been stolen and not found; or
- suffered damage covered by the policy and the cost of repairing is more than 60% of the last United Kingdom list price.

We can only do this if a replacement vehicle is available in the UK and anyone else who has an interest in your vehicle agrees.

If a suitable replacement vehicle is not available, or your vehicle was not supplied as new in the UK, we will pay you the market value of your vehicle at the time of the loss (less any excess that may apply). If we settle a claim under this clause, the lost or damaged vehicle becomes our property and you must send us the registration document.

Section 1 – Exclusions

- b) Loss of use of Your Vehicle.
- c) Damage to tyres by application of brakes or by punctures, cuts or bursts.

- e) Loss where property is obtained or attempted to be obtained by any person using any form of payment which proves to be counterfeit, false, fraudulent, invalid, uncollectible, irrecoverable or irredeemable for any reason.
- f) Loss resulting from repossession of Your Vehicle or restitution to its rightful owner.
- g) Loss of, or damage to:
